So encourage each other
and build each other up,
just as you are already doing.

1 Thessalonians 5:11

“Everyone can do something to reduce the isolation of the leader’s job, and therefore help to make the leader more successful.”

“Leaders are people too. They need affirmation and encouragement like the rest of us.”

Kenneth Hekman, MBA

“honour those who are your leaders in the Lord’s work.”

“Show them great respect and wholehearted love because of their work.”

Paul, Apostle

And be careful that when you get on each other's nerves you don't snap at each other. Look for the best in each other, and always do your best to bring it out.
