

## What to Bring?

Bring your Bibles, note books, swimming gear, sleep gear, (for those going to billets) parent permission notes, a heart to sing praises, and a desire to grow in Jesus. The youth weekend will be geared to share practical ways youth can soar as disciples for Jesus, while having a blast along the way!

## "I am Not Ashamed"

The True Story of Rachel Scott, and her high school years that proceeded the Columbine Story...we get to follow the struggles and success of a high school girl, her challenges with faith, and her desire to be accepted, while still being true to her inner truths....sometimes a paradox, this story relates to every young person who wants to make Jesus their cornerstone, while being true to what it means to be a real friend.
